Episcopal Charities
A Commitment to Caring

Grace Church Soup Kitchen, Middletown

Mission Statement

Episcopal Charities, the outreach arm of the Diocese of New York, provides funding and support to parish-based programs serving children and adults in need on a non-sectarian basis.

Dear Friends,

In the Diocese of New York, as elsewhere, the past year brought continued and increasing challenges to all our communities. As more of our fellow citizens felt the cumulative effects of the economic crisis, and as sources of funds were increasingly scarce, the parish-based programs that Episcopal Charities supports saw a continued increase in demand for their vital services.

It gives me great satisfaction to know that in this past year Episcopal Charities was able to support more programs and to maintain a constant level of funding. This is especially impressive at a time when other funders were struggling, and often failing, to do so.

In the last year, Episcopal Charities supported 92 programs in every corner of the diocese, including three important new programs—collaborative efforts between neighboring Episcopal congregations to achieve results that could not be achieved alone. Because financial support is not enough to ensure the sustainability of these programs, Episcopal Charities continues to provide increasingly comprehensive training and advisory support.

I offer my and the Diocese of New York's deepest gratitude to all who have been so generous in their gifts to Episcopal Charities — especially now, when your gifts are needed more than ever and their cost, to many, is greater. I offer our gratitude to the staff and volunteers at Episcopal Charities and those 92 programs, who have worked so hard and selflessly to ensure that the services that we offer to our neighbors in need continue to be the very best they can be.

**The Rt. Rev. Mark S. Sisk
Bishop of New York**

Dear Friends,

2009 was an important year in the life of the programs of Episcopal Charities. We provided more than \$750,000 in grants to 92 parish-based programs throughout the Diocese of New York.

We saw three start-up programs, the recipients of long-term collaborative grants in 2008, fully operational and enhancing the lives of those they served; our Program Sustainability Institute providing program leadership with strategic training, operational support, and peer networking opportunities that were particularly valuable as programs adjust to changing economic realities; and our board and staff revised our guidelines to ensure that our grants have the maximum impact on our programs and the communities they serve.

In the last year, we also continued to build awareness of the work of Episcopal Charities and of the programs we support. In 2009 we launched a redesigned web site, along with other communications that tell our stories more effectively to a range of audiences.

We have seen a significant increase in the number of donors, both first-

time givers and existing donors who made new commitments of support. As a result of this generosity and the success of our Theater Benefit and Annual Tribute Dinner, our total revenues surpassed the previous year and allowed Episcopal Charities to continue its commitment to caring throughout the Diocese of New York.

We are deeply grateful to all of our donors for their continued support at a time when their own circumstances were difficult. It is through your generosity that our programs touch the lives of hundreds of thousands of New Yorkers. We also offer our heartfelt thanks to the staff and volunteers of our programs: their work ensures that our grants are effective and impactful.

In closing, we ask for your good words about our good work. Please mention Episcopal Charities to your family and friends; pass on this Annual Report, or forward the link to our website — www.episcopalcharities-newyork.org — so that others can learn about the vital work we do. 100% of public donations to Episcopal Charities are used for direct program support.

With your support, we will continue — and expand — outreach to our neighbors in need.

2009 Grants Report

In 2009, Episcopal Charities remained focused on its primary work of funding parish-based Basic Human Needs and Youth Programs, while continuing to provide education and support to help funded programs develop and grow. The programs funded by Episcopal Charities address the full spectrum of social service needs faced by the diverse urban, suburban and rural composition in the Diocese of New York. Episcopal Charities was the vehicle for diocesan financial support for a total of 92 basic human needs and youth outreach programs: of these 50 addressed basic human needs and 42 offered youth opportunity services.

2009 saw the first year of operation for the three programs funded under our three-year Collaborative Grants program. These funds are the primary source of support for important collaborative efforts among local parishes to address pressing community needs in the areas of prison re-entry, immigrant services, and feeding programs. Episcopal Charities will continue to support these programs and assist them in developing the necessary skills and infrastructure to succeed and remain viable past this grant's conclusion in 2011.

Eligibility and Application for Support

Twice a year Episcopal Charities invites grant proposals from any Episcopal congregation within the Diocese of New York. Proposals for programs serving **Basic Human Need** (all programs other than those serving youth) are accepted in the fall of the year preceding the calendar year in which allocations are made. Proposals for **Youth Opportunity Grants** are accepted early in the calendar year for allocations that are made during the period that extends from July of that year through June of the following year.

Eligibility Requirements

In order to be eligible to receive a grant from Episcopal Charities, programs must meet the following criteria:

- **Congregational Connection:** Programs must be sponsored by and in partnership with one or more

Episcopal congregations within the Diocese of New York.

- **Community Outreach:** The program must represent an effort by a local congregation or group of congregations to respond to an identified need affecting members of the community in which the congregation is located.
- **Clients’ Eligibility:** Any person needing the service offered should be eligible to receive the service. Eligibility for services cannot be determined by church membership, faith, or participation in church activities.
- **Non-Religious Program Content:** Programs must be non-sectarian and inclusive, and services provided cannot include religious content.
- **Quality and Impact of Program:** Programs should offer high quality services that give promise to

Annual Tribute Dinner

On Thursday, December 3rd, Episcopal Charities welcomed more than 400 guests to its annual Tribute Dinner held at the Cathedral of St. John the Divine. The dinner raised almost \$750,000 for the programs of Episcopal Charities.

H. Rodgin Cohen and The Rev. Terence L. Elsberry were honored for their work and commitment to improving the lives of others. The honorees each received an award and spoke briefly. The Dinner Chair was Anthony J. Walton, and Master of Ceremonies was Jon Scott.

“Episcopal Charities addresses the essential needs of those who are less fortunate or marginalized – whether they be the ill, the elderly, the hungry or disadvantaged youth. And it does so without consideration of any factor extraneous to need.”

H. Rodgin Cohen
