PROGRAM SUSTAINABILITY INSTITUTE JUNE 2010 WORKSHOPS JUST FOR YOUTH PROGRAMS

SATURDAY June 5 in Diocesan House, Cathedral Close
SATURDAY June 12 in Zion Church, Wappingers Falls
10AM-1PM

Just for Youth Programs: Creating a Safe Environment for our Kids**

In this informative workshop participants will learn about the impediments that threaten our children, keeping them from growing and thriving. Topics to be explored include sexual misconduct and bullying. Together we'll learn about the warning signs, as well as how to create a safer, nurturing environment for our young people. Episcopal Charities will also introduce some new tools to train employees and volunteers about preventing these threats.

***All Episcopal Charities Youth Opportunity Grantees are required to attend this workshop, unless excused due to emergency. Other programs are welcome to attend, but are excused from the requirement.*

How do I register for this workshop?

1. Email Associate Director Father Sam Smith ssmith@dioceseny.org, listing program, date and names of people attending, or
2. Fill out this registration sheet and fax back to Father Smith at 212-316-7431.
