PROGRAM SUSTAINABILITY INSTITUTE UPCOMING WORKSHOPS

Reminder:

*All Basic Human Needs, Youth Opportunity and Collaborative Outreach Fund Grantees are required to attend these workshops.**

SATURDAY September 11, 2010 in Diocesan House, Manhattan
SATURDAY September 18 at Zion Church, Wappingers Falls
10AM-1PM

Fundraising Essentials

This workshop will be an introduction to the basics of raising money for outreach programs. If you don't have much time for or expertise in fundraising, we hope to help you know the minimum requirements to make it simple for donors to support your efforts. If you have lots of experience in fundraising, we hope you will share your knowledge with others.

SATURDAY October 23 in Diocesan House
SATURDAY October 30 at Zion Church, Wappingers Falls
10AM-1PM

Greening Your Program

Does your outreach work help or hurt our planet? This workshop is designed to help you think about simple changes you can undertake to make your program more eco-friendly. In addition to sharing tips, we will also discuss how we can educate clients about the easy ways they can care for the environment.

**unless excused due to emergency*
